**Enhance the sound, not the noise.**

**Never before has hearing enhancement been so compact, discreet, and easy to use.**

Jabra Enhance Plus wireless earbuds with medical-grade technology help enhance your hearing to enjoy crystal-clear conversations, music and calls.

- Miniaturized design is ultra-discreet and comfortable
- Up to 10 hours battery life, with up to a total of 30 hours in the case
- High-quality streaming and hands-free calls\*

## **Hear more from life**

These pioneering hearing-enhancing earbuds have been specifically engineered with advanced medical-grade technology, to help you focus on what you want to listen to, without just turning up the volume. The innovative design uses 4 dedicated microphones to reduce background noise and improve speech clarity, so whether you're chatting with your partner in a busy coffee shop or catching up with friends over dinner, you won't miss a thing. These compact earbuds are also water resistant, so come rain or shine, they work perfectly.

## **Engineered for world-class hearing enhancement, music, and calls**

Jabra Enhance Plus earbuds offer a hearing solution that combines the convenience and design of true wireless earbuds with advanced hearing technology to address the needs of millions of Americans with mild-to-moderate hearing loss.

\*Hands-free calls require iPhone 11 or later and iOS 15.3 or later.
